Exhibition Information Package

This Information Package has been written to assist you in considering this venue for your exhibition and to assist you in preparing an application to exhibit. Please use an Exhibition Application Form to submit your application.

The Northern Rivers Community Gallery is housed in a heritage building, built in 1927 as the original Ballina Municipal Council Chambers. The building was renovated, and the Gallery opened, in 2007. The Gallery provides a professional, high profile exhibition space for the Northern Rivers community – encouraging a diverse and active program of exhibitions and public programs. The Gallery exhibits artwork by artists, craftspeople & designers. Exhibitions also include social history and heritage stories as well as projects by community and cultural groups in the region.

As a community gallery the program is largely initiated by the community, in that individual artists, artist groups, cultural and community groups, curators, history/heritage groups etc may apply to exhibit. From time to time the Gallery also presents touring exhibitions and in-house curated exhibitions or joint projects between the Gallery and other community, educational or arts organisations and/or artists.

The Gallery is owned and managed by Ballina Shire Council as a service to our local and regional communities, and our visitors.

The Gallery includes four exhibition spaces that attract hire fees for use. Exhibitions are generally rotated every four weeks. Items on exhibition are generally for sale.

- As the Gallery is housed in a heritage listed building holes/hooks CAN NOT be placed in walls or the ceiling.

- The Gallery has one data projector available for exhibitors in Gallery space 4 for the presentation of new media work.
- The Gallery has various sized plinths available for 3D work (subject to availability).
- The Gallery Coordinator has the right to reject the installation of any artwork considered to be unsafe or inappropriate for display. The Gallery Coordinator may remove any artwork, signage or wording placed in the Gallery that he/she deems inappropriate, unsuitable, poorly presented or offensive to the general public. Details regarding proposed fundraising activities must be outlined in an expression of interest to accompany the Exhibition Application Form.
